

# Bathroom Adaptation Customer Testimonial

Mr H. in Brecon was awarded a grant from Powys Council to convert an attached outbuilding/garage toilet into an adapted wetroom for his mother.

*"Excellent from start to finish, the whole operation was really good..."*

## Did the service meet your expectations?

Excellent from start to finish. The builders were very, very good and were absolute gentlemen. I just gave them a key and they did the job, it was fabulous. The whole operation was really good.

## How has it impacted your daily life?

The wet room is for my mother, who will benefit from it greatly as she has not been able to have an independent shower for the past 12 months.

## What are your thoughts on the aftercare and service throughout the process?

Excellent, simple as that!

## Tips and advice for anyone else looking to have an adaptation

I would recommend anyone to go to GB for a wetroom. The whole process was excellent and hassle free.
