

# Plasterer based in Oxfordshire

For the last 30 years, GB Electrical & Building Services has gained a reputation for successfully delivering minor and major building projects. Typically, these works include:

- Responsive repairs, empty property maintenance and Upgrade works to domestic properties.
- Individual refurbishment and development projects to public, private and community buildings.
- Home improvements including disabled adaptations.
- Facility management services.

We seek experienced individuals who can evidence a desire for continuous personal development in all aspects of their work, while embracing the company's appetite for commercial growth.

Based in the South East, covering working areas between Brize Norton and High Wycombe, we can now offer the opportunity for an experienced plasterer to join our team undertaking work in domestic properties.

## The ideal candidate will have:

- Proven experience in undertaking all kinds of plastering works.
- Some experience in painting, tiling and other associated work advantageous.
- Some experience of receiving and recording works completed through a PDA system (training will be provided).
- The minimal levels of qualifications and education to support all works reasonably expected to be completed by the post holder. (Job description available upon request).
- Excellent communication skills.
- Ability to use own initiative.
- Enthusiastic and positive outlook.

A company van, phone and uniform will be provided. (Driving licence required)

Applicants must be available to work on a call out rota for which a standby fee and enhanced rate of pay per call out will apply.
