

Multi Skilled Carpenter based in Hereford

For the last 30 years, GB Electrical & Building Services has gained a reputation for successfully delivering minor and major building projects. Typically, these works include:

- Responsive repairs, empty property maintenance and Upgrade works to domestic properties.
- Individual refurbishment and development projects to public, private and community buildings.
- Home improvements including disabled adaptations.
- Facility management services.

We seek experienced individuals who can evidence a desire for continuous personal development in all aspects of their work, while embracing the company's appetite for commercial growth.

Based in Hereford, we can now offer the opportunity for a Multi Skilled Carpenter to join our expanding projects works team. You will be working mainly on our MOD property upgrade works programme, as well as participating on other varied projects being carried out by our in-house team.

The ideal candidate will have:

- Proven experience of undertaking repairs, maintenance and installations of new kitchens and bathrooms.
- An ability to complete additional works outside of the traditional disciplines associated with carpentry. e.g basic plumbing.
- Experience of undertaking plastering and tiling would be advantageous.
- Thorough technical knowledge and skills in all aspects of carpentry works.
- The minimal level of qualifications and education to support works reasonably expected to be completed by the post holder (Job description available on request).
- Excellent communication skills.
- Ability to use on initiative.
- Enthusiastic and positive outlook.

A company van, power tools, phone and uniform will be provided. (Driving licence required)
