

General Labourer based in Hereford

For the last 30 years, GB Electrical & Building Services has gained a reputation for successfully delivering minor and major building projects. Typically, these works include:

- Responsive repairs, empty property maintenance and Upgrade works to domestic properties.
- Individual refurbishment and development projects to public, private and community buildings.
- Home improvements including disabled adaptations.
- Facility management services.

We seek experienced individuals who can evidence a desire for continuous personal development in all aspects of their work, while embracing the company's appetite for commercial growth.

Based in Hereford, we can now offer the opportunity for a Labourer to join our expanding projects works team. You will be working mainly on our MOD property upgrade works programme, as well as participating on other varied projects being carried out by our in-house team.

The role is a varied position and will include typical labouring duties.

More specifically, this could include but not limited to:

- Stripping out kitchens and bathrooms including ceilings.
- Basic plumbing (Capping off pipe work).
- Basic brickwork (Pointing, small brickwork patch repairs).
- General plastering skills (Plaster-boarding, bonding).
- Removing building waste from different sites.
- Occasional maintenance of gardens.

The ideal candidate will have:

- A full clean driving licence.
- Excellent communication skills.
- Ability to use on initiative.
- Enthusiastic and positive outlook.
- General Building experience, ideally with a Building /ground-working background

A company van, power tools, phone and uniform will be provided.
