

Mobility Door Adaptation Customer Testimonial

Mrs N. was awarded a grant for a new UPVc door with low mobility threshold from Care & Repair Powys. We spoke to her grandson on how the process went.

“Good service, good product...”

Why did you choose GB Home Adaptations to do the work?

You were one of the contractors recommended from the council.

Did the service meet your expectations?

Very pleased with it, the builder who installed it, did a good job. It works well.

How has it impacted your daily life?

It should make it easier for her to get in & out which was the problem before and that's why we have had it done.

If you were to recommend us what would you say?

Good service, good product.
