

Plasterer based in Hereford

For the last 30 years, GB Electrical & Building Services has gained a reputation for successfully delivering minor and major building projects. Typically, these works include:

- Responsive repairs, empty property maintenance and Upgrade works to domestic properties.
- Individual refurbishment and development projects to public, private and community buildings.
- Home improvements including disabled adaptations.
- Facility management services.

We seek experienced individuals who can evidence a desire for continuous personal development in all aspects of their work, while embracing the company's appetite for commercial growth.

We can now offer the opportunity for a Plasterer to join our expanding Multi Skilled Project works team, based in Hereford. You will be working mainly on our MOD property upgrade works program, as well as participating in other varied projects being carried out by our in-house team.

The ideal candidate will have:

- Proven experience in undertaking all kinds of plastering works.
- Some experience in painting, tiling and other associated works.
- The minimal level of qualifications and education to support all works reasonably expected to be completed by the post holder (Job description available on request).
- Excellent communication skills
- Ability to use own Initiative
- Enthusiastic and positive outlook

A company van, power tools, phone and uniform will be provided.

Driving licence essential
