

Bathroom Adaptation Customer Testimonial

Mr H. from Hereford was awarded a grant through You at Home to adapt his bathroom into a wheelchair friendly wetroom.

“Definitely worth it, makes a world of difference...”

Did the service meet your expectations?

Perfect! I am in a wheelchair so I can now just wheel in and shower more freely. The workmen helped me no end and the finish was really good too.

How has it impacted your daily life?

It makes a world of difference, everything is perfect.

Any tips and advice to anyone else looking to get a similar adaptation?

Definitely worth it, makes a world of difference. The GB boys were really good.

If you were to recommend us what would you say?

They bent over backwards to help me. They did everything perfectly.
