

# Bathroom Adaptation Customer Testimonial

Mrs D. from Hereford was awarded a DFG grant from Herefordshire Council. She shares her experience on how having a complete level access wetroom installed has made life easier for her.

*"It's made a big difference in my life and I've only been using it a couple of days..."*

**How did you come to choose GB Home Adaptations to do the work?**

I applied for a grant as I have a disability and got it through the Herefordshire Council.

**Did the service meet your expectations?**

Very, very good. I can't fault them. They cleaned up after themselves every night. Adam, my builder, was very considerate. The finished result is very, very good.

**How has it impacted your daily life?**

I'm very glad I got it done as the bathroom was becoming quite dangerous for me. I'm quite blind, you see so having one foot in the bath and stepping over was not very good. It's much easier for me now.

**If you were to recommend us what would you say?**

10 out of 10! Adam is very, very good. It's made a big difference in my life and I've only been using it a couple of days. I'm so glad I got it done.
