

Electrician based in Telford.

For the last 30 years, GB Electrical & Building Services has gained a reputation for successfully delivering minor and major building projects. Typically, these works include:

- Responsive repairs, empty property maintenance and Upgrade works to domestic properties.
- Individual refurbishment and development projects to public, private and community buildings.
- Home improvements including disabled adaptations.
- Facility management services.

We seek experienced individuals who can evidence a desire for continuous personal development in all aspects of their work, while embracing the company's appetite for commercial growth.

We can now offer the opportunity for additional Electricians to join our large multi-disciplined operation based out of Telford.

The ideal candidate will have:

- Proven experience of undertaking all aspects of domestic electrical repairs, including new installations including full and partial rewires, CCU changes, shower installations, boilers connection.
- The minimal level of qualifications (JIB Gold card) and education to support all works reasonably expected to be completed by the post holder.
- Thorough technical knowledge in all aspects of Electrical works.
- Excellent Communication skills.
- Ability to use own initiative.
- Enthusiastic and positive outlook.

Applicants must be available to work on a call out rota for which you will receive a standby fee, paid per day. All call outs paid at x1.5 hourly rate door to door.

A Company van, power tools, phone and uniform will be provided.
