

Multi Skilled Operative based in Telford

For the last 30 years, GB Electrical & Building Services has gained a reputation for successfully delivering minor and major building projects. Typically, these works include:

- Responsive repairs, empty property maintenance and Upgrade works to domestic properties.
- Individual refurbishment and development projects to public, private and community buildings.
- Home improvements including disabled adaptations.
- Facility management services.

We seek experienced individuals who can evidence a desire for continuous personal development in all aspects of their work, while embracing the company's appetite for commercial growth.

Based from Telford we can now offer the opportunity for additional Multi Skilled Operatives to join our team undertaking repairs to domestic properties.

The ideal candidate will have:

- Proven experience of undertaking plumbing and/or carpentry tasks and other associated works e.g. tiling, painting, etc.
- Proven experience of undertaking various tasks such as roofing, fencing, plastering, guttering works.
- Some experience of receiving and recording works completed through a PDA system (training provided).
- The minimal level of qualifications and education to support all works reasonably expected to be completed by the post holder (Job description available on request).
- Excellent Communication skills
- Ability to use own Initiative
- Enthusiastic and positive outlook

Applicants must be available to work on a call out rota for which you will receive a standby fee, paid per day. All call outs paid at x1.5 hourly rate door to door.

A Company van, power tools, phone and uniform will be provided.
