

Complete Level Access Wetroom Customer Testimonial

Mr. D from Llandrindod Wells approached GB Home Adaptations to adjust his bathroom with an access shower to enable his wife to be able to use the shower more easily.

“Very clean, efficient, excellent workmanship; all of the people involved were very nice ...”

How did you come to choose GB Home Adaptations to do the work?

I originally looked into getting it done privately but the company I first approached was going to be far too expensive so I contacted Care & Repair Powys as they have connections to disabled services and you were recommended.

Did the service meet your expectations?

There was nothing wrong with the workmanship. Adam cleaned everything, was always clean and tidy, he was very good. It all went really, really well and we're pleased with everything.

How has it impacted your daily life?

It's now dead easy to get in and out of. Before we had an 8" step in and out of. The adaptations were meant for my wife but I'm also a bit wobbly on my pins so I also find it useful. It feels better there. It's easy to clean too.

If you were to recommend us what would you say?

Very clean, efficient, excellent workmanship; all of the people involved were very nice and at the end of the day the finished job looks good!
