

Wheelchair Access Door, Ramp & Driveway Customer Testimonial

Mr T. from Hereford was awarded a Disabled Facilities Grant from Herefordshire Council to have a new wheelchair accessible door and access ramp with a new parking area and drive gates installed to the rear of his property.

"Very good, very polite, they were nice clean workers..."

How did you come to choose GB Home Adaptations to do the work?

You were on the Council's recommended contractors list.

Did the service meet your expectations?

It did, I was very pleased with it. The builders were polite and did a good job.

How has it impacted your daily life?

A lot, lot better than before. Access to the back of my house is a hell-of-a-lot easier. It's no more of a struggle.

If you were to recommend us what would you say?

Very good, very polite, they were nice clean workers. Thank the boys for doing the job for me. I'm very, very pleased with it.
