

Homes2Inspire & Kitchen Installation Testimonial

We spoke to Amanda Mellings, Property Manager at Homes2Inspire part of Shaw Trust who oversaw the kitchen refurbishment we delivered at Rosendale House.

“The way they presented themselves, you just knew they would do a good job!”

Why did you choose GB Electrical & Building Services Ltd to complete the work?

I had been looking for some time for a new contractor. I already knew of Craig's reputation, GB's Contracts Manager and knew the company he was working for could deliver what I wanted, so I approached him.

Did the service meet your expectations?

Yes, very much so. The builders were really pleasant, they were clean and tidy and did a fantastic job.

How has the work impacted property/residents/staff?

Already has, it looks wonderful. Everyone who sees it comments on how good it looks.

What are your thoughts on the aftercare and service throughout the process?

It's important to be supportive of local companies, they don't have so far to travel to you, which helps to keep the costs down.

If you were to recommend us, what would you say?

I would say they were prompt, came when they said they would, were always clean and tidy. The way they presented themselves you just knew they would do a good job!
