

Heating and Plumbing Engineer based in Hereford.

For the last 30 years, GB Electrical & Building Services has gained a reputation for successfully delivering minor and major building projects. Typically, these works include:

- Responsive repairs, empty property maintenance and Upgrade works to domestic properties.
- Individual refurbishment and development projects to public, private and community buildings.
- Home improvements including disabled adaptations.
- Facility management services.

We seek experienced individuals who can evidence a desire for continuous personal development in all aspects of their work, while embracing the company's appetite for commercial growth.

We can now offer the opportunity for a Heating and Plumbing Engineer to join our expanding **Multi Trade Project works team**, based in Hereford. You will be mainly working on our ongoing MOD property upgrade works program, which can be a Part or Full refurbishment of vacant domestic properties as well as participating in other varied commercial projects.

Ideal candidate will have:

- Proven experience of undertaking all aspects of domestic gas and plumbing repairs, maintenance and new installations.
- An ability to complete additional works outside of the traditional disciplines associated with gas and plumbing.
- Thorough technical knowledge in all aspects of Gas and Plumbing works.
- Excellent Communication skills
- Ability to use own Initiative
- Enthusiastic and positive outlook

Gas qualifications (CCN1, CENWAT, CKR1, HTR1 and CPA1) are mandatory for this role.

Driving licence required.

CSCS card not necessary.

Package:

- Company van, fuel card, power tools, gas analyser, trade purchasing cards, mobile phone and uniform are all provided.
- 42.5 hours a week, with regular opportunity to work additional paid hours.
- Salary: £36,420.80 per annum. (£16.48 per hour) Travel time is paid both ways.
- 25 days holiday + 8 bank holidays.
- Company Pension.
- Life insurance – 2x basic annual salary cover.
