

Trade Supervisor based in Hereford.

For the last 30 years, GB Electrical & Building Services has gained a reputation for successfully delivering minor and major building projects. Typically, these works include:

- Responsive repairs, empty property maintenance and Upgrade works to domestic properties.
- Individual refurbishment and development projects to public, private and community buildings.
- Home improvements including disabled adaptations.
- Facility management services.

We seek experienced individuals who can evidence a desire for continuous personal development in all aspects of their work, while embracing the company's appetite for commercial growth.

We can now offer the opportunity for a Trade Supervisor to join our multi-disciplined project team based in Hereford. Reporting to the Building Manager the successful candidate will be responsible for aiding the day-to-day onsite delivery of GB's services to all clients.

Responsibilities:

- Day to day on site supervision of multi-skilled trade colleagues along with additional Sub – contract labour.
- Ensure jobs are completed to programmed time scales set by the Building Manager.
- Organising and ordering materials for projects.
- Ensure all work is organised efficiently.
- To proactively manage high standards of workmanship within the team through on-site and post inspections.
- Communicate effectively with the colleagues, customers and clients.
- Identify opportunities to improve the service that the team provides.

Ideal candidate will:

- Have experience of supervising a team of trade colleagues.
- Good knowledge of all functional aspects of building and construction.
- Good understanding of Building Regulations in relation to domestic properties.
- Good understanding of current Health and Safety legislation.
- Have relevant qualifications and sufficient practical experience working within a similar environment.

Driving licence required.

CSCS card not necessary.
