

Electricians based in Cardiff

For the last 30 years, GB Group has gained a reputation for successfully delivering minor and major building projects. Typically, these works include;

- Responsive repairs, empty property maintenance and Upgrade works to domestic properties.
- Individual refurbishment and development projects to public, private and community buildings.
- Home improvements including disabled adaptations.
- Facility management services.

We seek experienced individuals who can evidence a desire for continuous personal development in all aspects of their work, whilst embracing the companies appetite for commercial growth.

We can now offer the opportunity for additional Electricians to join our large multi-disciplined operation based out of St Athan. Nr Barry.

The ideal candidate will:

- Have proven experience of undertaking all aspects of domestic electrical repairs, maintenance and new installations including full and partial rewires, CCU changes, shower installations, boilers connections etc.
- Adhere to all safety protocols and electrical codes, including the 18th Edition Wiring Regulations.
- Ensure all work is compliant with legal and company standards.
- Maintain accurate records of work performed, including installation details, maintenance logs, and compliance reports.
- Provide exceptional service to clients, addressing their needs and concerns professionally and effectively.
- Perform routine inspections and testing to ensure safety and compliance.
- Working safely, keeping high standards of health, safety, and cleanliness on-site. While collaborating closely with colleagues, managers, and other trades to get the job done right.
- Have thorough technical knowledge in all aspects of Electrical works.
- Possess excellent Communication skills
- Have an ability to use own initiative

Applicants must be available to work on a call out rota for which you will receive a standby fee, paid per day. All call outs paid at x1.5 hourly rate door to door.
